[**C-Am-Dm-G**]Moses was a shepherd taking care of his sheep
[**C-Am-Dm-G**]One day a lamb wandered off and began to bleat
[**C-Am-Dm**]Moses followed the lamb, and then he saw
[**G7**]A sight that filled him up with wonder and awe!

Chorus:

A bush it [**C**]burned, it [**Am**]burned, but it [**Dm**]didn't burn [**G**]up (3x)
And Moses [**C**]heard the [**G**]voice of [**C**]God

Go back to Egypt and tell Pharaoh
You must let my people go
Listen to me or you'll rue the day
'cause I'm gonna send ten terrible plagues! (chorus)

So Moses went to Pharaoh, but Pharaoh said no
He would not let the Jewish people go
Pharaoh wouldn't listen, he wasn't afraid
Of Moses or the bush or what the bush had to say! (chorus)
