

Six Days to Make the World

by Lisa Baydush © 2009, capo 4

Chorus:

[C]1-2-3, [F]4-5-6, it [G]took six days to [C]make the world,
[C]1-2-3, [F]4-5-6, it [G]took six days to [C]make [G]the [C]world!

In the beginning, [F]light and [C]dark, [G]light and [C]dark;
In the beginning, [F]day and [C]night, [G]day and [C]night, [G]oh...

Then came the land, the [F]sky and [C]sea, [G]land, sky and [C]sea;
Then came the flowers [F]and the [C]trees, [G]flowers and [C]trees, [G]oh...

Next came the sun, the [F]moon and [C]stars, [G]sun, moon and [C]stars;
Next came all the [F]birds and [C]fish, [G]birds and [C]fish, [G]oh...

Last came the animals, [F]large and [C]small, [G]large and [C]small;
Last came the people, [F]Adam and [C]Eve, [G]Adam and [C]Eve, [G]oh...

On the seventh day, God [F]took a [C]rest, [G]God took a [C]rest,
That's why Shabbat is our [F]day of [C]rest, Sha[G]bbat is our day of [C]rest, [G]oh...

Use pictures of creation on felt board.

Put up one finger for each number (three on each hand) and then make the sign for world (three fingers on each hand, rolling hands).
