

Eitz Chayim Hee Hee Hee

by Lisa Baydush © 2019, capo 4

We [G]ran out of Egypt and we [D]crossed the sea
We wandered the desert [G]endlessly
We came to the mountain and [C]Moses went up
And he [D]brought the Torah back [G]down

Chorus:

Eitz chayim [C]hee, hee, hee,
It is a [G]tree, tree, tree
of [D]life, life, life for [G]us (repeat)

We [G]read the Torah and we [D]learn the way
That we should live each and [G]every day
The Torah teaches us [C]right from wrong
And we [D]celebrate it to[G]day! (chorus)
