

I'm a Little Apple Seed

adapted by Lisa Baydush to the tune of What Can One Little Person Do by Sally Rogers © 2019, capo 2

[G]I'm **[G7]**a **[C]**little apple **[C7]**seed,
I'm a **[F]**little apple **[C]**seed,
And with lots of sun and rain, watch me **[G]**grow!
One **[C]**day I will **[C7]**be a **[F]**great big apple **[C]**tree
With **[F]**lots of fruit and **[G]**more seeds to **[C]**sow!

*Act out the song: be a seed and grow; drop seeds and begin again.
Invite children to suggest types of fruit that grow on trees.
Put laminated fruit pictures on a felt board image of a tree.*
