[C]Springtime, [F]spring[C]time  
[F]I'm so glad it's [G]springtime  
[C]Springtime, [F]spring[C]time  
[F]Spring is [G]in the [C]air!

When it's [F]spring, flowers bloom and we [C]play outside  
And the [F]trees are turning [C]green  
The [F]birds sing songs, and I [C]sing along,  
I'm [G]so glad that it's spring!

*What do you love about spring?*

When it's [F]spring, caterpillars be[C]come butterflies  
And the [F]sun shines down on [C]me  
The [F]birds sing songs, and I [C]sing along,  
I'm [G]so glad that it's spring!
