

It's Chanukah Tonight

by Lisa Baydush to the tune of London Bridge is Falling Down

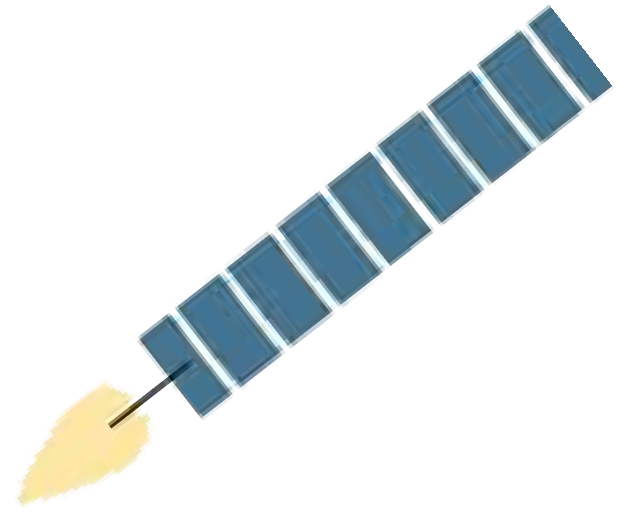

See the candles shining bright

Light more candles every night

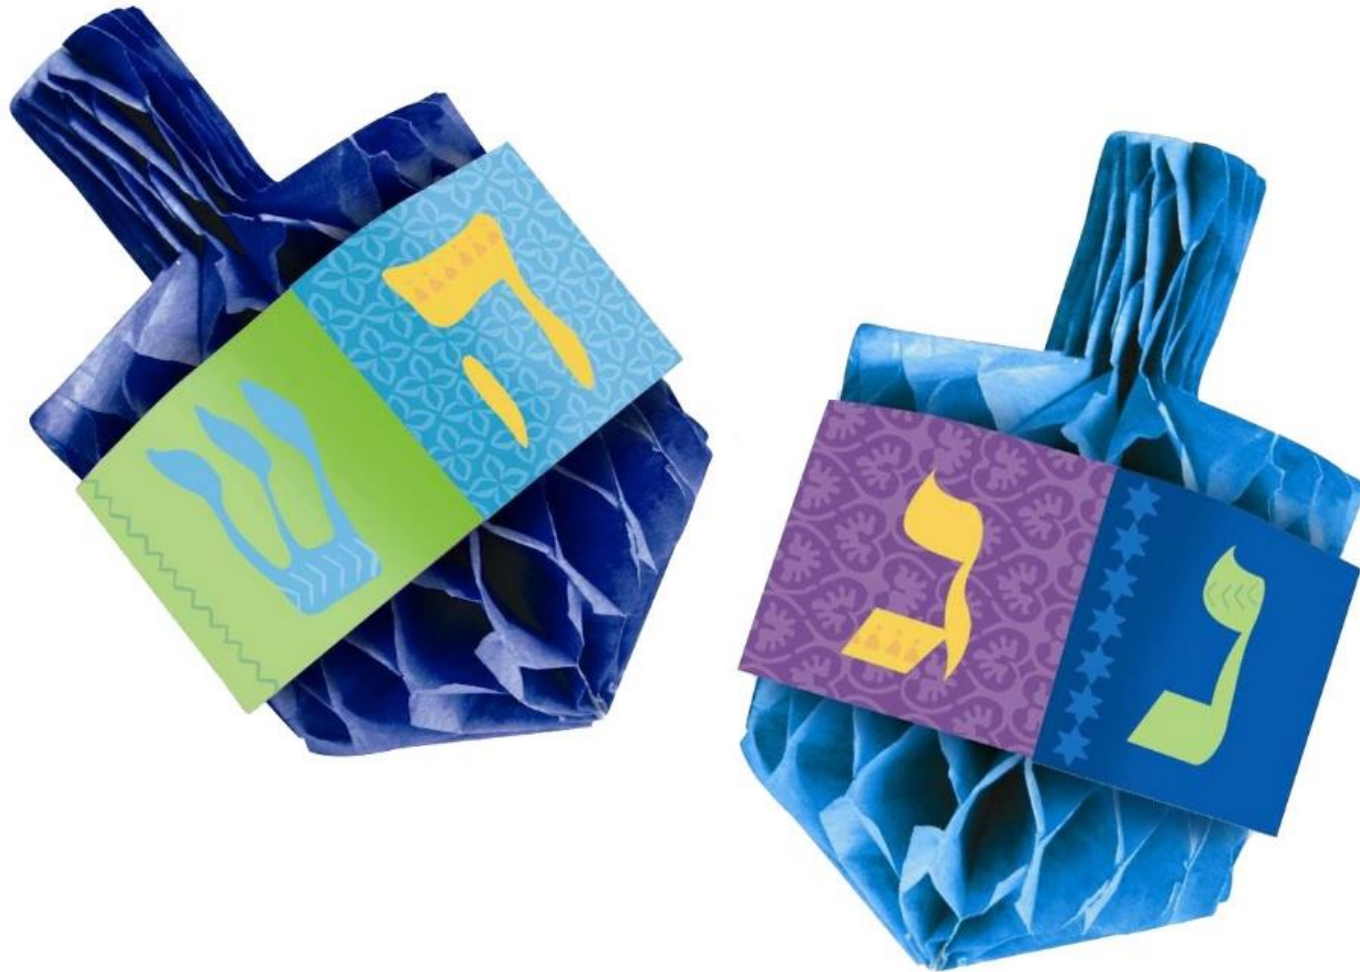

Fill the dark with lots of light

It's Chanukah tonight!

Spin the dreidels round and round

Whirling, twirling on the ground

See them teeter and fall down

It's Chanukah tonight!

Lots of latkes, good to eat

Sufganiyot are such a treat

Chocolate gelt for you and me

It's Chanukah tonight!

Yes, it's Chanukah tonight!
