Each time we sing our song, then the easier the letters get.

I will hear you getting better, as you sing each Hebrew letter,
It's the Alef Bet. (chorus)

Six Days to Make the World

 by Lisa Baydush

Chorus:

1-2-3, 4-5-6, it took six days to make the world (repeat)

In the beginning, light and dark, light and dark;
In the beginning, day and night, day and night; Oh... (chorus)

Then came the land, the sky and sea...
Then came the flowers and the trees... Oh...

Next came the sun, the moon and stars...
Next came the animals, birds and fish... Oh...

Last came the people, Adam and Eve...
Last came the people, you and me... Oh...

On the seventh day, God took a rest...
That's why Shabbat is our day of rest... Oh...

Good Ol' Noah Built an Ark

 TTTO Old MacDonald Had a Farm

Good ol' Noah built an ark
'cause God said it would rain,
And on that ark he took two cows
who moo'ed and moo'ed all day.
They moo-moo here, and they moo-moo there,
Here a moo, there a moo, everywhere a moo moo...

Good ol' Noah built an ark
'cause God said it would rain,
And then one day the sun came out,
and the water went away...

Good ol' Noah waved goodbye,
Shalom, shalom, shalom!
